Every piece is individually glazed by hand leaving an original 'makers mark' on the reverse, highlighting the handcrafted nature. All pieces also feature a hand finished sponged rim, which naturally drips to create a unique piece. Individuality does not come at the expense of quality. Terrazzo

Decorative and Abstract

10

Terrazzo is inspired by the Italian decorative technique of combining fragments of marble and glass to create a speckled abstract pattern. Popular in the 1970's, the use of Terrazzo has made a comeback in the hospitality interiors of today. The conceptual, fragmented pattern is available in Green and Blue, adding a splash of retro revival colour to any tabletop.

A colourful range, Terrazzo heightens the presentation of casual food styles, from street food to sharing plates and gastro bars.

Reactive texture within the print produces a variance in effect and colour, so every piece retains individual character. Manufactured in the Dudson Finest Vitrified ceramic body, Terrazzo's industrial toughness stands up to everyday use in a professional kitchen environment.

Evo

Character established by tradition

12

Handcrafted, Evo is supremely practical and whatever your particular service requirements, items can be mixed and matched to suit. Evo has been designed with the appearance of hand-thrown pottery and its homely charm adds a touch of warmth to any tabletop. A replication of shape and aesthetics, Evo is available in three well established glaze colours, Granite, Jet and Pearl. The fully glazed pieces are hand dipped on Vitrified Stoneware and the reactive colours create variation, making each piece individual.
